If you suffer from a food allergy or intolerance, please discuss with one of the team who will be happy to advise. Due to the presence of nuts, shellfish, wheat and other allergens in our restaurants/kitchens, there is a small possibility that traces may be found in any of our food items. Every care is taken to avoid any cross contamination when preparing an allergy or intolerance meal, however the kitchen does process allergenic ingredients and there isn't a specific allergen free zone.
